

紡織品通告

擴大生產通知書的適用範圍至歐盟市場

紡織品商號須注意“生產通知書”規定的適用範圍,已於2006年3月15日起擴大至輸往歐洲聯盟的裁剪及車縫成衣。根據規定,生產商於開始進行車縫工序當日或之前三個工作天內,須向工業貿易署遞交生產通知書。

同時生產商在相關的香港產地來源証申請內,亦須填報生產通知書編號。將輸往歐盟並於3月15日前已開始進行車縫工序的成衣,由於不須領取生產通知書,為此工業貿易署已作出過渡性安排,商號可最遲於2006年4月15日遞交相關產地來源証的申請而無須填報生產通知書編號。

換言之,由2006年4月16日起,所有此類香港產地來源証申請內必須填報生產通知書編號。有關詳情,請參閱工業貿易處以下網頁或致電本會來源証科熱線2396 3318查詢。

Extension of PN requirements to EU market

Textile traders and manufacturers are advised to note that the PN requirements have been extended to the export of cut and sewn garments to EU countries with effect from 15 Mar. 2006. Manufacturers concerned are required to lodge a PN with the Trade and Industry Department on the day of, or within three working days before, the commencement of the origin-conferring assembly work.

In regard to the application for Certificate of Hong Kong Origin, the requirement on provision of PN numbers in applications covering cut and sewn garment also extends to the export to EU countries. As a transitional arrangement, CO applications covering cut and sewn garments which have commenced the origin-conferring assembly work in Hong Kong before 15 Mar.2006 for export to the EU, for which no PN has been obtained, will be accepted for processing until 15 April 2006. Traders should make sure that such CO applications are submitted no later than that date.

As from 16 April 2006, all Certificate of Hong Kong Origin applications for export of cut and sewn garments to EU must be supported by validated PN.
