

## Green Participant

At opening, level one, the company proposes at least one environmental project for implementation. Such a project should be selected from any one of eight categories (see Project Selection).

## Green Medalist

Upon successful and cumulative completion of three or more environmental projects, the participating company is recognised with a **Green Medal** for its efforts. With the recognition, the company is entitled to display the official Green Medal logo on its letterheads, envelopes, compliment slips, advertising and promotional materials for three years.

## Green Industrialist of the Year

Each year, from Green Medalists, the **Best Environmental Project** award will go to the most outstanding effort in each of the eight categories. From among these top awards will be selected the **Green Industrialist of the Year**.

### ELIGIBILITY
