

Build a Secure Cyberspace 2018
“Stay Smart, Keep Cyber Scam Away”
Video Ad Contest

The Office of the Government Chief Information Officer, the Hong Kong Police Force and the Hong Kong Computer Emergency Response Team Coordination Centre have jointly organised the annual “Build a Secure Cyberspace” promotional campaign on information security since 2005. A series of promotional activities, including conducting thematic seminars and schools visits, distributing leaflets and posters, producing radio broadcast programmes and organising various types of contests, etc. were staged to raise public awareness of information security. More information about the campaign can be found at:

www.cybersecurity.hk/en/build-a-secure-cyberspace.php

Objective

The “Stay Smart, Keep Cyber Scam Away” Video Ad Contest aims to raise public awareness of cyber security and to encourage the adoption of security best practices, with a view to enhancing public concern about cyber scam. Through creative and compelling video ad (not longer than 1 minute), participants can demonstrate the how to guard against the cyber security threats we are facing and promote the best practices and smart tips to keep cyber scam away.

Eligibility

The contest is divided into Open, Family, Secondary School and Primary School categories. Each participant can enrol to only one of the categories and should submit only one entry. Additional entries will be rendered void.

Category	
Open	For all Hong Kong residents
Family	For all under 16 years old children with at least one adult
Secondary School	For all secondary school students in Hong Kong
Primary School	For all primary school students in Hong Kong

(All persons involved in the planning and implementation of the contest are not eligible for joining the contest. They include but not limited to members of the organising committee, panel of judges and their immediate family members.)

Please contact the Hong Kong Computer Emergency Response Team Coordination Centre by calling 2788 5884 or by email to event@hkcert.org.

Terms and Conditions

- All persons involved in the planning and implementation of the contest are not eligible for joining the contest. They include but not limited to members of the organising committee, judging panel and their immediate family members.
- The maximum number of participants in a team is SIX. For team application of primary school and secondary school category, all team members must be from the same school.
- Each participant can enrol to only one of the categories and should submit only one entry. Additional entries will be rendered void.

- All submitted entries must be the participants' original works that have not won any award in other competitions. If the entries had entered other competitions, the participants should ensure that the copyright of the entries does not belong to any organisation. The participants shall assume responsibility for any disputes over copyright. The Organisers/Co-organisers accept no responsibility for such disputes.
- All submitted entries must be the participants' original works that have not been published before, and should not infringe any copyright and intellectual property rights. The copyright of all submitted entries is vested solely in the Organisers. Participants shall agree that the Organisers can at any time display, reprint, reproduce, use or modify their entries for any purposes, and that the Organisers are not required to notify the participants and pay them copyright fees.
- Participants shall agree and accept the publishing in any forms and the public display of their entries, and the production of these entries into any items by the Organisers/Co-organisers, e.g. the public display or publishing of the entries in public exhibitions, the websites, social networking sites, mobile applications or publications of the Organisers/Co-organisers; the production of these entries into any items, such as souvenirs or calendars, etc.
- All submitted entries and their brief descriptions of the design concepts shall not be returned.
- All submitted entries must not contain obscene or indecent content.
- The Organisers reserve the right not to use in whole or in part the submitted entries. No dispute shall be raised by the participants concerned.
- Names, products or services of any companies or entities or any third-party trademarks, logos shall not be contained or referred to in all entries. No entries shall be used for the promotion of any brands, products or services.
- The Organisers have the right not to accept any improper entries or entries not aligning with the theme and specifications of the contest. If there are doubts that the entries have infringed the intellectual property rights of other persons, the Organisers have the right to disqualify them from entering or winning the contest.
- The participants shall participate in publicity events related to the contest upon invitation of the Organisers.
- The contest results decided by the Panel of Judges shall be final. Participants shall abide by the decisions and shall not raise objection.
- Participants shall abide by the regulations of the contest and all other terms and conditions set out in the application form.
- The Organisers reserve the right to interpret and revise the regulations of the contest and all other terms and conditions set out in the application form. Participants shall not raise objection.

- Participants have the right of access and correction with respect to their personal data as stipulated in Sections 18 and 22 and Principle 6 of Schedule 1 of the Personal Data (Privacy) Ordinance, and have the right to obtain a copy of their personal data provided in the application form.
