LAST CALL for PRE-SALE

Digital Economy • Redefines our Future

The fourth edition of the **Internet Economy Summit (IES)** will return on **15-16 April 2019!**

Draw insights from top-notch international and local tech heavyweights and innovators and discover how today's businesses can leverage data-driven innovations to capitalise on the unprecedented opportunities in the connected world. This year's Summit will feature six thematic forums designed to offer the audience visions into the digital future with disruptive influence in areas of fintech, virtual marketplaces, internet of things, artificial intelligence, cybersecurity, industry 4.0 and more.

Asia's Technology Flagship Event for Innovation and Collaboration
