Introduction to Integrated Machine Tool Park (IMTP) at Tumakuru in Karnataka, India

The State Government of Karnataka is developing an exclusive Integrated Machine Tool Park (IMTP), in association with the Department of Heavy Industry, Ministry of Heavy Industry & Public Enterprises, Government of India. With an extent of 529 acres of land at Tumakuru, IMTP would be an integral part of Tumakuru Industrial Node on the proposed the Chennai-Bengaluru Industrial Corridor.

The park is expected to be ready by March, 2019 and 158 industrial plots of various dimension have been formed in this park. This is a golden opportunity for investors and manufactures companies engaged in manufacturing of machine tools by setting up their units in this park. Furthermore, the common amenities, attractive incentives and concessions are available to the Machine Tools investors as per the State Industrial Policy 2014-19.

Applications from prospective and interested entrepreneurs can be submitted online in the website of Karnataka Udyoga Mitra (<https://kum.karnataka.gov.in>). Further details are also available on the website.
