18 September 2018

Chief Secretary for Administration Matthew Cheung presented awards to winners of FHKI's Industry Cares CSR Recognition Scheme

Chief Secretary for Administration Matthew Cheung presented the Grand Caring Awards of the Federation of Hong Kong Industries' (FHKI) Industry Cares Recognition Scheme 2018 to winners of Enterprise and SME Groups at the Industry Cares Recognition Scheme Presentation Ceremony held today (18 September). The Hong Kong and China Gas Company Limited and Laws Fashion Group Limited are awarded "Grand Caring Awards" under the Enterprise Group, while Future Lighting Collection Limited is awarded "Grand Caring Awards" under the SME Group.

FHKI Chairman Jimmy Kwok said, "Enterprises, regardless of their size, can take the initiative to fulfill Corporate Social Responsibility (CSR) and show their care to the community. We are glad to see that the number of enterprises participating the scheme has grown significantly by five times from 20 to 110 for the past six years."

"In a bid to succeed in today's society, enterprises not only need to achieve business efficiency, but also to strike a balance among environmental protection, fostering relationships between stakeholders, building positive value for society and creating shared value. We believe that the successful enterprises have to operate in a sustainable way and fulfil CSR commitment," Mr Kwok continued.

The judging panel of this year's Scheme was chaired by Efficiency Office Deputy Commissioner for Efficiency Patricia Lau. Other members included Hong Kong Young Women's Christian Association Chief Executive Yvonne Yeung, Chevalier International Holdings Limited Executive Director Horace Ma, Hong Kong Ocean Park Senior Public Affairs Manager Cindy Chan, KPMG Senior Manager Jackie Lee and FHKI Deputy Chairman Dr Jack Yeung.

To inculcate the importance of CSR to the industries, FHKI's CSR Committee launched the Industry Cares Recognition Scheme in 2013 to encourage enterprises to integrate CSR spirit and culture in their daily operations.

The winner list for the Industry Cares Recognition Scheme 2018 Awardee List is attached (Appendix).
