MEMORANDUM TO ALL MEMBERS

(Members with trade and business interests in the UK please pay attention and respond)

**Public Consultation on Strategic Dialogue on HK-UK Trade Partnership**

Hong Kong and the United Kingdom have launched a Strategic Dialogue on Trade Partnership in September 2017 to examine the trade policy environment in which Hong Kong and the UK operate and identify priority areas of mutual interests for future collaboration.

The Government would like to invite stakeholders to provide their views and suggestions on potential opportunities to enhance the bilateral trade and investment relations between Hong Kong and the UK, particularly in the following aspects:

1. Are you interested in the UK market? If so, what are your priority areas and whether you have encountered specific barriers when seeking entry into the UK market?
2. What do you consider to be the top three things that would improve the ease of doing business in the UK market for your sector?
3. What further Government-to-Government co-operation between Hong Kong and the UK in the next five years do you consider to be most beneficial to the growth of your sector and the economy of Hong Kong?

Members who have any views on above consultation are invited to inform us by 9 March 2018 (Fax No: 2721 3494 or email [jeffreys.tsang@fhki.org.hk](mailto:jeffreys.tsang@fhki.org.hk)). For enquiries, please contact Mr Jeffrey Tsang at 2732 3197.
