## Compensation Levels for Work Injuries and Occupational Diseases Increased and List of Medical Appliances for Pneumoconiosis or Mesothelioma Sufferers Expanded

Three resolutions were passed by the Legislative Council on April 3 to raise the levels of 18 compensation items under the Employees' Compensation Ordinance (ECO), the Pneumoconiosis and Mesothelioma (Compensation) Ordinance (PMCO), and the Occupational Deafness (Compensation) Ordinance (ODCO). The list of medical appliances under the PMCO will also be expanded. The amendments were gazetted and will become effective from 26 April 2019.

Employees injured at work or suffering from prescribed occupational diseases under the ECO or family members of deceased employees, persons suffering from pneumoconiosis or mesothelioma or family members of persons who die because of these diseases, and persons suffering from occupational deafness will receive increased level of compensation.
