積金局提醒僱主預留足夠時間準時處理強積金供款

今年農曆新年一連三日公眾假期適逢2月初，強制性公積金計劃管理局(積金局)呼籲僱主預留足夠時間，於指定供款日期或之前為僱員向強制性公積金(強積金)受託人作出強積金供款，以免因延誤供款而被徵收附加費。

僱主應善用受託人提供的強積金電子服務處理強積金供款手續，不但可以確保供款準確無誤，更可以提升工作效率，降低行政成本。

MPFA reminds employers to allow sufficient time to handle MPF contributions

The Mandatory Provident Fund Schemes Authority (MPFA) reminds employers to reserve sufficient time to make Mandatory Provident Fund (MPF) contributions for their employees to their MPF trustee on or before the contribution day to avoid a surcharge imposed for default contributions. This year, extra attention is required as the three-day Lunar New Year holiday falls in early February.

Employers are encouraged to make use of the electronic services provided by trustees to handle MPF contributions which could not only ensure that they make accurate contributions, but also help enhance efficiency and reduce administrative costs.

For details, please refer to the MPFA's press release at <https://bit.ly/2VY8F8y>.
