US : Proposed Adjustment of Additional Tariff (from 10% to 25%) on Certain Mainland Products Worth US\$200 Billion under Section 301 Investigation

Further to previous news regarding the US' proposed additional 10% tariffs on 6,031 tariff lines of Mainland products worth approximately US\$200 billion under the Section 301 investigation, the US Trade Representative announced on 1 August 2018 that it had been directed by the US President to consider increasing the proposed level of the additional tariff from 10% to 25%. The proposed tariff will undergo public comments and hearing process before a decision is made. In light of the possible increase of the additional tariff rate to 25%, **the close of the written comment period is extended from 30 August 2018 to 5 September 2018, and the due date for requests to appear at the public hearing is extended to 13 August 2018.**
