eTA Visa - Electronic Travel Authorization for Canada

Canada will introduce a new travel requirement for visa-exempt foreign nationals wishing to travel through or to Canada.

From 15 March 2016, citizens of countries that normally do not need a visa to travel to Canada will be expected to apply for and obtain an electronic travel authority (eTA) to fly to or transit through Canada. This requirement includes citizens of Hong Kong

From March 15, 2016 until fall 2016, travellers who do not have an eTA will continue to be able to board their flight, as long as they have appropriate travel documents, such as a valid passport. However, travellers are strongly recommended to apply for an eTA before booking their flight to be assured that they have been pre-screened to fly to Canada.

eTA 簽證－加拿大旅遊許可電子系統

加拿大政府對免簽證的外籍人士進入或經加拿大轉機，將實施一項新的入境要求。

自 2016 年 3 月 15 日開始，免簽證可進入加拿大旅遊或轉機的遊客，需申請和持有一項新的 eTA 簽證，該規定適用於香港居民。

由 2016 年 3 月 15 日至 2016 年秋天，如果旅客尚未申辦新的 eTA 簽證，只要他們持有適當的旅遊證件，例如護照，仍可獲准登機。然而，旅客應盡量在購買機票前申請 eTA 簽證，以確保他們已獲准可以飛往加拿大。
